September 13, 2023

### **Sonoro Energy Ltd. announces final approval obtained to commence trading on the TSXV**

**Calgary, Alberta** – Sonoro Energy Ltd. ("Sonoro" or the "Company") (NEX: SNV.H, TSXV:SNV) is pleased to announce that the TSX Venture Exchange ("TSXV") has granted final approval for the Company's graduation from the NEX to the TSXV as a Tier 2 Oil and Gas Issuer as at September 15, 2023.

Effective at the opening on Friday September 15, 2023, the trading symbol for the Company will change from SNV.H to SNV.

Sonoro is pleased to also announce that Sonoro Energy Canada Ltd., a wholly owned subsidiary of Sonoro, expects to spud the second well within twenty days from the completion of the first well, which remains on target to be spud before September 30, 2023. Furthermore, the second well is being evaluated to be designed as a multi-lateral horizontal well potentially providing improved economics and rates along with increased access to recoverable reserves and overall development of the resource. Further details will be announced once finalized.

### ***Forward-looking Statements***

Certain information in this news release constitutes forward-looking statements under applicable securities laws. Any statements that are contained in this news release that are not statements of historical fact may be deemed to be forward-looking statements. Forward-looking statements are often identified by terms such as "may," "should," "anticipate," "expects," "estimates," "seeks" and similar expressions. In particular, without limiting the generality of the foregoing, this news release contains forward-looking information regarding the opportunities discussed.

Forward-looking statements necessarily involve known and unknown risks, including, without limitation, risks associated with oil and gas exploration, development, exploitation, production, marketing and transportation, loss of markets, volatility of commodity prices, currency fluctuations, imprecision of reserve estimates, environmental risks, competition from other producers, inability to retain drilling rigs and other services, delays resulting from or inability to obtain required regulatory approvals, changes in legislation including but not limited to income tax, environmental laws and regulatory matters, and ability to access sufficient capital from internal and external sources. Readers are cautioned that the foregoing list of factors is not exhaustive.

Readers are cautioned not to place undue reliance on forward-looking statements as there can be no assurance that the plans, intentions or expectations upon which they are placed

will occur. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement.

Additional information on these and other factors that could affect Sonoro's operations or financial results are included in Sonoro's reports on file with Canadian securities regulatory authorities and may be accessed through the SEDAR website ([www.sedar.com](http://www.sedar.com)) or by contacting Sonoro. The forward-looking statements contained in this news release are made as of the date of this news release and Sonoro does not undertake any obligation to update publicly or to revise any of the included forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by securities law.

***Neither the TSX Venture Exchange nor its Regulation Service Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.***
