### **Sonoro Energy Non-Brokered Private Placement and Update on Operations**

**Calgary, Alberta** – Sonoro Energy Ltd. (“Sonoro” or the “Company”) (TSXV: SNV) is pleased to announce the closing of a non-brokered private placement for total gross proceeds of \$1,451,602. The Company sold 29,032,039 units (a “Unit”) at a price of \$0.05 per Unit where each Unit consists of one common share (a “Common Share”) of the Company and one common share purchase warrant (a “Warrant”) of the Company, where each whole Warrant entitles the holder to purchase one Common Share within two years at a price of \$0.10 per Common Share. Proceeds will be used for general corporate purposes and pursuit of new business opportunities.

Closing of the financing is subject to final TSX Venture Exchange approval. The Common Shares and Warrants issued in connection with the financing are subject to a four-month hold period.

Sonoro Energy Ltd. now has 74,288,320 Common Shares outstanding, 44,175,614 warrants outstanding, and the Common Shares trade on the TSX Venture Exchange under the symbol SNV.

On March 12, 2018, Sonoro announced that it had not been granted an extension by the Ministry of Energy for its PSC at Budong Budong West Sulawesi, Indonesia. Since this time, the Company has had discussions with government authorities to understand the rationale behind the decision and has attempted to rectify the situation. The Company had expected to receive such extension earlier in the year based on previous discussions with the relevant parties. At this time, there has been no change in the status of the non-extension. The Company continues to pursue a solution.
